We are having our annual end of season social at The Lighthouse Pub in Sechelt on Tuesday the 16th of June. Please join us for an evening of dinner and conversation outside of the context of our usual meetings. Bring a partner or friend. Please let Phil Harrison (thebigph@gmail.com) know you are coming and how many in your party, so that he can pass that on to the restaurant closer to the time.

See the Celebration of BC Photography – Showcasing BC Clubs

Sixteen BC photo and camera clubs were featured in a Celebration of BC Photography held on zoom on the evening of May 29th. Each club submitted a presentation highlighting some of the work of their members. The event was recorded and is available for viewing in two parts:

London Drugs Discount Agreement – 30% off on most processing

We now have 30 members eligible for the 30% discount on most processing at the Gibsons store. The agreement also includes a 10% discount on most equipment and printer supplies. The discount does not apply to work which London Drugs contracts out, e.g. slide and photo scanning.

To take advantage of the discount, at the photo counter indicate that you are a member of the Sunshine Coast Camera Club and wish to receive the discount. If the staff person seems

unfamiliar with the agreement, you might ask them to check with a manager, (I've worked with Claire Robinson). You will need to show ID, which they will check against the list of members' names. If there are questions or wrinkles to work out, get in touch with me (705-772-9438) or Phil Harrison.

Use the IGA Cash Cards; help keep Club Fees low.

A reminder that when you use the club IGA cash cards, the club receives a percentage back. Even if you don't usually shop at IGA in Wilson Creek, Gibsons, or Madeira Park, step in sometime and use the card to buy even a few items; every little bit helps. If you have friends who shop at IGA and might be interested in helping the club; consider asking them if they would use an IGA card for us.

If you don't have an IGA card, please get in touch with Nancy Nederlof (nnederlo@gmail.com). You "load" them with your funds, by cash or credit or debit card, at a cashier, or the service desk, and then pay for groceries with the card. If you are uncertain about your balance, ask the cashier to check before they start ringing in your purchases. When the balance on the card gets low, see a cashier about reloading it. It's simple and helps keep our membership fees low.

Video Learning Opportunities:

At our last meeting we were discussing options for the evening since our Members' Showcase presentations were short and few. I showed a list of videos that members have suggested as useful for viewing at club meetings. In our discussion someone suggested that I distribute the list so that they could view them at home. We also recognised this wouldn't preclude viewing them at our meetings since most of them probably bear watching more than once.

Enjoy!

P.S. If you find any of these not worth watching definitely let me know (millpondsailor@gmail.com) and also let me know if you have suggestions of other good videos.
